

## Family Resource Directory

Published by the Office of Family and Community Engagement (FACE) - September 2022

**How to Use this Directory:** This table is filled with common topics of concern to our students and their families and where you can go for help. Use the letters on the far left to direct you to a specific section by alphabetical order. Please Note: If you see an asterisk, or \* sign, next to an “Area of Concern,” this means that it is directing you to a resource outside of the School District of Philadelphia. If you have any questions about this directory or feel like something is incorrect or missing, please let us know at [ask@philasd.org](mailto:ask@philasd.org).
